Dear Archers,

As we enter the last quarter of 2014, archery is more popular than ever throughout the media and the world. Well, we **always** knew how cool archery was! Bow manufacturers are releasing their new lines, and WOW! The new technology, colors, styles, and equipment for archery is completely awesome. Our **pro shop is fully stocked with accessories too**. Our stock is always current with the times. As always, we have some of the **best custom arrows and string designs** around. Just ask anyone!

Besides our **full lines of arrows, compounds, recurves, and crossbows**, we offer leagues, lessons and group events. All under one roof! Our **adult and youth leagues** are always friendly and welcoming. Currently, over 100 people attend our weekly leagues, ranging from 6 to 72 years old! **Our range is air conditioned, and you can shoot up to 25 yards**. Are you looking for something fun and different? Our **holiday themed 3 D shoots** are some of the best courses you will find. Lots of fun, and always a challenge, thanks to Yoda!
